

Michigan United Conservation Clubs Fuel Discount Program

We are still shipping 4.5% Speedway Discount cards for a limited time for even greater savings (12,000 are left!). After these are used up, the cards shipped will be 6-cents to 10-cents off per gallon at all Speedway and SuperAmerica Stores, the largest discount Speedway/SuperAmerica gives to the public!

MUCC is sponsoring a Fuel Discount Program through **Associated Benefit Consultants (ABC)** that provides a discount at all Speedway and SuperAmerica stations and stores. There is an annual \$24.00 fee paid to ABC Consultants that covers these discounts for a member household.

Fuel Discount Card Program Details

Each Speedway/SuperAmerica reloadable gift card is good for 4.5% off of everything in Speedway/SuperAmerica stores; gas, food, and everything else. Eventually, the 4.5% cards will be replaced with cards giving an additional **6-cents (unleaded), 8-cents (midgrade), or 10-cents (premium)** off the store gasoline price and **3-cents off diesel**. Two Speedway cards are given to each member, with options to purchase additional cards at a discounted rate.

Once enrolled, ABC sends the member two special 4.5% discounted reloadable "gift cards" usable at any Speedway or SuperAmerica locations. These discounts are in addition to other Speedway discount programs, including Speedy-Rewards, Speedway Chase Visa, Superfleet, and Kroger Plus.

When you first get your cards, have a clerk activate them, then load them up with as much money as you want. Use your card at the pump, and watch the cents roll back!

Additional 4.5% off Speedway/SuperAmerica cards can be purchased for an extra \$12.00 per year.
